

November 24, 2006

Important MSDS Information:

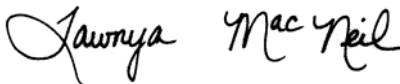

Products marketed by Precision BioLogic are classified as Medical Devices within the US Food and Drugs Act (FDA) and Health Canada's Therapeutic Product Directorate (TPD) and are, therefore, exempt from the Workplace Hazardous Material Information System (WHMIS) requirement to have a MSDS provided.

For further information please refer to the US Code of Federal Regulations 29 CFR §§1910.1200 (b) (5) (iii) and 1910.1200 (c) and/or Part II Section 12 of the Canadian Hazardous Products Act.

Precision BioLogic supports laboratory safe practices and provides product handling instructions within the Direction Insert supplied with each product.

I trust that this information will fulfill your laboratory's safety requirements. If you require any additional information on the use of any Precision BioLogic product, please do not hesitate to contact us.

Sincerely,

Tawnya MacNeil
Regulatory Affairs Manager
